THE ANNUAL MEETING.

The Ninth Annual Meeting of the Home for Aged and Infirm Colored Persons, was held First month 10th, 1873, in the Hall of the Franklin Institute. Dillwyn Parrish, President, in the chair.

The Annual Report of the Board of Managers, and the Report of the Treasurer, were read and approved, and were referred to the incoming Board for Publication.

NINTH ANNUAL REPORT.

The Managers of the Home for Aged and Infirm Colored Persons have satisfaction in reporting that the past year has been one of no common interest in the Institution under their charge. The number of inmates received up to the first day of 1872 had been 58, of whom 14 were deceased, leaving 44 to claim our care and interest. Nineteen have since been admitted—the enlarged capacity of our new building giving the opportunity for an extension of the work. Five of these were men, a class which had not previously to this year been admitted, owing to our insufficient accommodation in the old Home. Seventy-seven persons have thus enjoyed the hospitality of the Home, and have found in it many alleviations of the trial and loneliness which are so common an attendant upon declining years.

There have been eight deaths in the little community under our care during the year 1872, so that now we have but 55 left to tread the downward hill of life within the secluded walls of this comfortable retreat. Of those who thus passed away we can recall none who did not give some evidence that God had been gracious to their souls. Of some few among them it may be said that they had abundantly realized the truth of our dear

Redeemer's words: "In the world ye shall have tribulation, but in me peace;" for they wore upon their countenances the evidence that "There is a rest that remaineth for the people of God." It is no small consolation to those who have given of their time and substance to the maintenance of this unpretending charity, to feel that they have been instrumental in smoothing the dying pillow of some of the Lord's little ones. Of those who have thus passed away, two were men who had been but a few months in the Home.

Amelia Webster, of Lewistown, Delaware, was the second person admitted at No. 340 S. Front street. She had nearly attained the ripe age of 96 when her spirit fled.

Sarah Hutchinson, who immediately followed her in our list, has also gone from us, aged 87. She had been blind for some years past.

The assistant Matron, who had been an efficient helper in the institution, has also been taken to a home above.

Our valuable friend and co-laborer, Jacob C. White, who had been connected with the Home as a manager from the date of its organization, deceased 6th mo. (June) 14th, 1872.

We feel that in his removal, we have lost an earnest friend and helper, and that we can ill afford to spare him from the labors of our Board.

Notwithstanding the very considerable addition made to our numbers, thus increasing our monthly expenditure, God has been good to us in giving us a sufficient store to draw from in the hearts of His believing children. Our receipts from subscriptions and donations have been ample for our wants. He has not suffered the cruse of oil to fail or the barrel of meal to waste. We have especially to thank Him that He has given us, among our sisters who are largely charged with the immediate supervision of the Home, many earnest women who give themselves faithfully to their calling. We can testify that, whether employed in the uninviting work of soliciting the necessary means for the support of these poor people, or in diligent attendance at the Home, some miles distant from their abodes, their labor has not been in vain in the Lord.

The lot upon which the Home is built was separated from the main street in front of it, Belmont avenue, by a narrow strip of land belonging to Owen Jones. We have purchased from him 27 feet in width by 80 feet in depth, thus providing ourselves with an entrance sufficiently wide from this largely travelled thoroughfare. We have also purchased six lots in Olive Cemetery, immediately in the rear of the Home, for the interment of our deceased inmates. The religious meetings at the Home have been pretty regularly held, and we trust to the comfort and edification of those attending them.

We have reason to acknowledge many kind contributions and deeds of active benevolence at the hands of the friends of the Home. Wm. Still, on one occasion, provided an entertainment for our inmates, which was greatly enjoyed; and on New Year's day the hearts of all were gladdened by a rich supply of good things for the table, together with an amusing exercise kindly provided by our friend H. M. Laing and his children. Our thanks are due to the Hestonville Railroad Company for free passes furnished to our Matron and one of the Board. We are also indebted to many kind friends for an abundance of comforts and luxuries provided for Thanksgiving and Christmas days. Upon the first named occasion, the Female Christian Association visited the house, bringing with them a store of good cheer. We hold in grateful remembrance the kindness of our neighbor, Gilbert Balfour, who has given gratuitous medical attendance when it was sorely needed. To Dr. Collins, who has found it necessary to resign his post after several years of faithful service, we tender our warm acknowledgments; also, to Dr. Rosell, who still continues his attention.

Adam Hausman has conferred a great obligation upon us, by bringing many articles to the Home from the city.

The Carolina Singers have favored us with two entertainments, which were fully appreciated. By the will of Catharine W. Evans, deceased, the sum of \$200 was directed to be paid us, which has been received by our Treasurer and safely invested, together with other moneys of like character.

We cannot close our Report without acknowledging the disinterested labors of our excellent Matron, Ann W. Laws. Her

judgment and discretion combine with the promptings of a loving and tender heart to adapt her to the arduous duties of her post. We commend her and those under her charge to the oversight of Him whose watchful eye slumbers not.

We trust that our friends who have so kindly aided us in the past, will continue their benefactions. Our yearly contributions and donations are the only means of support for this large and growing family, with the exception of a small fund which yields about \$300 per annum.

Signed on behalf of the Board.

JOSEPH M. TRUMAN, JR.,
Secretary.

STEPHEN SMITH,
Chairman.

The President appointed a committee on nominations, consisting of H. M. Laing, Wm. Still, Lydia Gillingham, and A. Hudson, who presented the names printed on page three. These were approved by the Meeting, and were declared elected for the ensuing year.

The Managers having proposed the amendment of Rule 3, providing for the payment of one hundred dollars instead of seventy-five, as admission fee, the proposition was, on motion, approved by the Meeting, and the Rule accordingly directed to be so altered.

Interesting remarks were made by Bishop J. P. Campbell and Samuel R. Shipley.

The Treasurer stated that \$275 had been handed in during the Meeting. The Meeting then adjourned.

M. BALDERSTON,
Secretary.

NOTE.—Contributions in goods may be left at the store of Laing & Maginnis, 30 N. Third street; with Stephen Smith, 921 Lombard street, or at the Home.

She must be respectful and kind to every one in the Home, and attentive (without partiality) as their circumstances require. She will promptly check any quarreling or other improper conduct in the inmates, and, if necessary, report the same to the Visiting Committee. She shall keep a record of all articles sent to the Home, whether purchased or otherwise, and an exact account of all expenditures, and furnish the Committee with a monthly account thereof. She will be expected to go through the house about 10 o'clock P. M., and see that all unnecessary fires and lights are extinguished.

RULE 2.

No person will be admitted into the Home but such as bring satisfactory testimonials of the propriety of their conduct and the respectability of their character.

RULE 3.

Those received in the Home must be at least fifty years of age, and shall pay to the Treasurer the sum of one hundred dollars. This Rule may be varied from if so directed by the Managers.

RULE 4.

Any property or personal effects which an applicant may be possessed of must be made over for the benefit of the Home prior to their admission therein; and if any inherit property whilst in the Home, and prefer remaining, the said property must likewise be transferred to the Managers for the use of the Institution; all such transfers being recorded in a book kept for the purpose.

RULE 5.

Colored persons, over the age of fifty, of respectable character, and furnishing satisfactory references, may be boarded in the institution upon such terms as the Managers may decide; but shall be subject to the same rules, and have no privileges different from the other inmates. Satisfactory security must be given for the regular payment of the board previous to their admission.

RULE 6.

No boarder shall be received or continued in the Home to the exclusion of those entirely dependent. Two weeks' notice, however, must be given for the removal of any boarder.

RULE 7.

A register shall be kept of the names of all applicants, the persons by whom they are recommended, their place of residence, and the report of the Visiting Committee thereon, and any other information that may be deemed important.

RULE 8.

Those that are pensioners on any benevolent institution or society, it is expected will have their pensions continued to assist in their support, and that their funeral expenses shall be paid.

RULE 9.

Those received into the Home will be cared for without other expenses during their lives, provided the Managers have the funds.

RULE 10.

The inmates are prohibited from soliciting aid outside of the institution.

RULE 11.

None but the Physician of the Institution, or his substitute, shall attend the inmates, unless he should request a consultation with another practitioner.

RULE 12.

After rising in the morning, and again before retiring at night, all who are of ability shall be assembled in a suitable room, and a chapter from the Bible read to them, after which an opportunity shall be afforded for silent or vocal worship.

RULE 13.

Religious meetings shall be held in the Home on the first day of the week, at 10½ o'clock A. M., and 4 o'clock P. M., for those unable or not desirous of attending elsewhere.

RULE 14.

Any one of the inmates may be visited (with their consent) for religious purposes at any suitable time; but if a religious opportunity is desired with all of the family, it must be first approved by at least two of the managers.

RULE 15.

A bell will be rung ten minutes before each meal, when all who are able will repair to the dining-room. When seated, a suitable pause shall be observed before eating.

RULE 16.

The sick or infirm will be accommodated with meals in their own rooms, but all others will be expected to take them at the general table.

RULE 17.

It will be expected that all who are capable will make their own beds, and sweep their rooms, early every morning; such as are not will have it done for them.

RULE 18.

The inmates are expected to sew, knit or do any other services for the benefit of the Home of which they are capable.

RULE 19.

Any of the inmates desiring to visit their friends (on *their written invitation*), must obtain permission from the Matron.

RULE 20.

If any of the friends of the inmates present articles for individual use or for general distribution, the same must be placed in charge of the Matron and furnished at her discretion.

RULE 21.

No stimulants or liquors to be used in the Home unless ordered by a physician, and then to be administered only by the Matron.

RULE 22.

No person will be permitted to interfere or find fault with the Matron. Any complaint should be made to the Managers for their action.

All visitors shall be properly treated and shown through the Home, especially those visiting for religious purposes. Visitors will not be admitted before 10 A. M., or after 5 P. M., except in special cases.

RULE 24.

The strictest attention must be paid by each one of the family to these Rules. For the first and second offence, the Matron will admonish the offender; for a third, she will complain to the Visiting Committee; and for a fourth, removal from the Home, if so directed by the Board.
