

[page 1 - verso of postcard]

Just returning from a fruitless 2 hours trip to League Island to see a deserter. Must go again. We had a pleasant dinner party yesterday at which Louise was a great addition as always but of course I was surprised not to find the new member as I had scurried away from K to meet him. Missed you very much & look forward with such eagerness when you will be there too. It is absolutely bound to come, if it only would. Time for sailing draws near. We each have a state room to ourselves on prom. deck. Is not that fine!

Very lovingly S.
