[Text on left side of card]

Jan. 14. Shanghai

We are having brilliant days of sunshine like winter at home. I nearly went to Canton, packed bought ticket & was on way to boat, when I found it was delayed in starting a whole day. By that time I was so homesick at leaving Bob that I jumped at the excuse, returned ticket, got my money back & came back to hotel to unpack - so all is well - I thought you might recognize this performance! Very lovingly

D.
