

Wed a.m.

Dearest daughter,

That box that was expressed from Wolcott Hotel Oct. 29 has not arrived, + Wolcott has never [reponed?] to me as [clerk?] said would when I was there a week or so later--Please [underlined] make [/underlined] them--I wrote to them before I went to [prison?] to tell them to communicate with you about it. I'll never see in again I fear--but I can put in [Claire?] to Ex. Co. Esther's letter re [Kreyer] came last eve. + Kreyer's too. Will give to her this a.m.

Breakfast coming.

Best love Mother
