Do send cards to these [dear?]; if you can make yourself do it. Has my hot water but. arrived from the [illegible]? I want to send them stamps + thank them.

Darling daughter,

I've just come in from a meeting of a literary club, the Cauldron + very exclusive Mrs Whittemore tells me. A paper on Barrie was read, really very good and then some discussion + then tea.

And then we got some of the women to take tickets for our dinner Wednesday night.

Mrs. Whittemore is a perfect hostess + I couldn't be more comfortable. Big room, my own bathroom, breakfast any time I like. Mrs. W. is in N. York until Saturday, so we have the house to ourselves. She has just shown me a most beautiful birthday letter (today is her b.day) from brother.
