Augt 5th

My dear Dora,

A letter from Cologne from your Mother tells me of your dear little Baby' sickness—Now, I am so sorry to hear of it [.] Will you not favor me with a line, how she is, + how and where you all are. I hoped to have heard (or seen L.) from you when he was in Phil—but was disappointed—I do hope you will have good report to send me of you all.

We are both quite nicely fixed + pretty well, we may remain here a little while longer then proceed to [Scothore?], you know F.B. remained at [Rye] so we do not go—Ursula L is to go Augt 14th. I hope you are now enjoying [to summer?] + have Baby well—Please address [me?] to this place. Mary + my love to you both + kiss to Baby—

Yr truly loving Cousin M.[S.?]L

I send this to L' office as I presume they are forwarded
