Sunday morning

Dear Mr. Lewis-

I am going to Chester with Mother this morning to remain all night, consequently will not be able to hear your lesson this evening- My first thought, upon hear-

ing I was to go, was that it would be very nice if you could go too and spend the evening there, but I find that there are but very few Sunday trains, and they do not run at suitable times. Shall I see you Thursday evening? That is if I do not go to New York in the meantime, as there is a

possibility of my doing- however, if I do I'll let you know. If you have time before church just write me a line to let me know that you will study your collect and epistle all the same and that you don't mind "in fact that you are rather glad of" (a la Job) my going away this evening.

Sincerely yours,  
Dora Kelly
