[page 1]

My dear Mr. Lewis.

Another little note- but I hope you won't think it very horrid this time. I have thought over what you said about going to see Father at the office to-

[page 2]

morrow, I do not think it would be the best place to see here as it is a large room, filled with business men at all times, and no place for private conversation of any kind- Don't you think it would be better to wait until to-morrow evening? Please do for the sake of Sunday evening. Daisy.
