

Dr Sir
The Checks I gave to Stockton & Griffith at Trenton
on Acct. of T Ingram & Co are to be sent on today. Would it be more
agreeable to you to give me a ^{distinct} check for the \$600. on Acct. of
Ingram & Co or shall I apply that sum out of the money received
from Ely this morn^g - perhaps it may be better for you to give
your check for the \$600. & let the money I have, be entered altogether
in your Bank Book and then the two transactions will at once
appear regular before you - in that case please to send me
the check as I am now going to the Bank with your Book -
